Dear Twin Creek Water Supply Corporation Members/Stockholders

As you may know, as a Non-Profit Water Supply Corporation (WSC) chartered under Texas law it is governed by an elected Board of Directors of seven positions. Each year the WSC holds an election and depending on which positions are up to be filled, we elect active Members to fill those positions.

This year, 2025, there are two Director Positions that are up for election. Any active WSC Member can run to fill a Position.

We are fortunate this year to have two Directors who are filling those Positions and who are willing to run as incumbents for the open Positions. This does not mean that no one else can run. Any active Member can run to fill a Position if elected. If you are interested in serving as a Director, please contact The Twin Creek WSC office by telephone at 979-828-5385 so we can help you comply with the election procedures and the preparation of your candidate package. You will then need to submit your completed package to the Twin Creek Office on or before March 3, 2025 to be eligible as a candidate.

The results will be announced at the annual Stockholder/Member Meeting which will be held at the Twin Creek WSC office at 10:00AM on Saturday April 26, 2025. Hope to see you at the meeting.

Thank you in advance for your willingness to serve our Water Supply Corporation.

Sincerely,
