

UNITED STATES DEPARTMENT OF AGRICULTURE  
Rural Utilities Service  
RIGHT OF WAY EASEMENT  
(General Type Easement)

KNOW ALL MEN BY THESE PRESENTS, that \_\_\_\_\_,  
(hereinafter called "Grantors"), in consideration of one dollar (\$1.00) and other good and valuable consideration paid by  
TWIN CREEK WATER SUPPLY CORPORATION, (hereinafter called "Grantee"), the receipt and sufficiency of which is hereby  
acknowledged, does hereby grant, bargain, sell, transfer, and convey to said Grantee, its successors, and assigns, a perpetual  
easement with the right to erect, construct, install, and lay and thereafter access and use, operate, inspect, repair, maintain, replace,  
upgrade, parallel and remove water distribution lines and appurtenances and any other facilities necessary to serve Grantors'  
property as well as the Grantee's current and future system-wide customers, under, over and across

\_\_\_\_\_ Acres of land, more particularly described in instrument recorded in Vol. \_\_\_\_\_, Page \_\_\_\_\_, Deed  
Records, Robertson County, Texas, together with the right of ingress and egress over Grantor's adjacent lands for the purpose for  
which the above-mentioned rights are granted. The easement hereby granted shall not exceed 15' in width, and Grantee is hereby  
authorized to designate the course of the easement herein conveyed except that when the pipeline(s) is installed, the easement herein  
granted shall be limited to a strip of land 15' in width the center line thereof being the pipeline as installed.

Grantee shall have such other rights and benefits necessary and/or convenient for the full enjoyment and use of the rights herein  
granted, including without limitation, (1) the reasonable right of ingress and egress over and across lands owned by Grantor which  
are contiguous to the easement; (2) the reasonable right from time to time to remove any and all paving, undergrowth and other  
obstructions that may injure Grantee's facilities and appurtenances or interfere with the construction, maintenance, inspection,  
operation, protection, repair, alteration, testing, replacement, upgrading, paralleling, relocation (as above limited), substitution or  
removal thereof; and (3) the right to abandon-in-place any and all water supply lines, service lines and associated appurtenances,  
such that Grantee shall have no obligation or liability to Grantor or their successors or assigns to move or remove any such  
abandoned lines or appurtenances.

In the event the easement hereby granted abuts on a public road and the county or state hereafter widens or relocates the public road  
so as to require the relocation of this water line as installed, Grantor further grants to Grantee an additional easement over and across  
the land described above for the purpose of laterally relocating said water line as may be necessary to clear the road improvements,  
which easement hereby granted shall be limited to a strip of land 15' in width the center line thereof being the pipeline as relocated.  
The consideration recited herein shall constitute payment in full for all damages sustained by Grantors by reason of the installation  
of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no  
unreasonable damages will result from its use to Grantors' premises. This agreement together with other provisions of this grant  
shall constitute a covenant running with the land for the benefit of the Grantee, its successors, and assigns. The Grantors covenant  
that they are the owners of the above described land and that said lands are free and clear of all encumbrances and liens except the  
following:

Grantor does hereby bind itself, its successors and assigns, to WARRANT AND FOREVER DEFEND, all and singular, the  
easement herein granted to Grantee, or Grantee's successors and assigns, against every person whomsoever claiming, or to claim,  
the same or any part thereof.

The easement conveyed herein was obtained or improved through Federal financial assistance. This easement is subject to the  
provisions of the Title VI of the Civil Rights Act of 1964 and the regulations issued pursuant thereto for so long as the easement  
continues to be used for the same or similar purpose for which financial assistance was extended or for so long as the Grantee owns  
it, whichever is longer.

IN WITNESS WHEREOF the said Grantors have executed this instrument this \_\_\_\_ day of \_\_\_\_\_, 2020.
